

Benefits

- Simple installation process
- LED technology for long service life
- Low wattage – reduced energy consumption

Key Features

- Simple to use and easy to install
- Diffused light – no visible dots
- Sleek contemporary appearance
- Elongated design ensures a vast spread of light across the worktop
- Fittings daisy chain together

Product overview

Successor to the Sensio classic, Quadra, the Ark is a new and improved option that is sure to look good in any style of kitchen.

The product features an elongated body which provides a vast spread of light across the worktop – perfect for task lighting, as well as fully diffused light source so no individual diodes can be seen.

Installation is also made quick and simple due to the magnetic casing and daisy-chain method of connecting light's to one-another rather than having to link back to the LED driver.

Order Codes

Description	Order Code	Barcode
Ark – Cool White	SE11192C0	5060522082880
Ark – Cool White – 2 Kit	SE11192C2	5060522082965
Ark – Cool White – 3 Kit	SE11192C3	5060522086918
Ark – Warm White	SE11192W0	5060522082903
Ark – Warm White – 2 Kit	SE11192W2	5060522082927
Ark – Warm White – 3 Kit	SE11192W3	5060522082989

Technical Specification

Wattage	2.5W
Voltage	24V
Light output	170 Lumens
Lumens per Watt (Efficacy)	68 lm/W
Colour rendering index	≥80
Beam angle	120°
Colour Temperature	Warm White: 3000 Kelvin
	Cool White: 5000 Kelvin
Cable Length	1.5 Meter
Operating Temperature	0°C ~ + 55°C
Material	Outer Body - Metal
	Inner Body - Plastic
	Diffuser - Polycarbonate

Mechanical Specification

Product Name	Dimensions (mm)	Weight (g)	IP Rating
Ark – All Variants	H10, W39, L180	100	IP20
