- 2 x USB sockets
- Integrated Qi charger
- Motorized mechanism
- Anti-trap feature
- IP54 rated

Product overview

The new SensioPod M - Bluetooth is the perfect tech-savvy addition to any modern and multi-functional kitchen. Whether you are cooking, dining or entertaining, the Bluetooth speaker will enhance the experience by providing high quality sound.

The pod features three power ports and two USB ports, so it is well equipped to deal with any combination of modern-day equipment, and a Qi charger has been seamlessly integrated into the top surface for quick and easy charging.

The smooth motorised mechanism for raising and lowering the pods has been cleverly designed with an anti-trap feature for safety, as well as a pausing feature so the pod can be semi-lowered out of sight when in-use.
