### Product overview

The Dawn is the new contender to the Sensio range and boasts excellent features teamed with a simple circular design.

The Dawn features TrioTone™ technology allowing for the easy transition between cool, natural and warm white light at the touch of a button alongside dimming for added customisation.

The touch pad located on the front face of the mirror enables quick and easy control of the lighting, and a built-in demister pad ensures that the mirror stays perfectly clear whilst in-use.

### Mechanical Specification

Product	Dimensions (mm) (HxWxD)	Weight (Kg)	IP Rating
Dawn	Ø600 x 110	6.5	IP44

### Benefits

- Increases storage options
- Customisable colour temperature
- Customisable brightness
- LED Technology for long life

### Key Features

- Shelf built into the design
- Touch Sensor on/off
- Matte Black Finish
- Colour Changing LED's
- Demister Pad

### Technical Specification

Voltage	240V
Wattage	24W
Number of LED's	120/M
Color Temperature	4000K ,5000K, 6000K
Dimmable	Yes
Operating Temperature	5°C to 45°C
Cable Length	0.9M
