

Product overview

The Iris is a stylish, discreet recessed fitting suitable for use on kitchen plinth or in the bathroom (zone 2).

The small plinth light is available in Natural White (4000K) making it suitable for any type of kitchen design.

Using Plug and Play technology, multiple fittings can be daisy chained together, providing a flexible system that can provide meaningful combinations to meet design demands.

The Iris Plinth light is available as a 4 light kit including the Sensio low profile driver and UK plug.

Mechanical Specification

Product	Dimensions (mm) L x W x D	Weight (Grams)	IP Rating
SE15990N0	15 x 15 x 39.5	21	44
