

## Product overview

The Velos is a stylish, slim under cabinet light that offers superb light output and features a magnetic mounting plate to hide away fixings.

Available in natural white (4000K) it's suitable for any type of kitchen design, whether traditional or contemporary.

The Velos also has a wide beam angle of 120°, which fills cabinets or work surfaces and eliminates dark areas. The product is compatible with Sensio switches and dimmable receivers.

## Mechanical Specification

Product	Dimension (mm) L x W x D	Weight (Grams)	IP Rating
SE11092N0	190 x 70 x 4	55	20

## Benefits

- LED technology for long service life
- Stylish and easy to install
- Energy saving (good lumens per watt ratio)
- Ideal for under cabinet lighting

## Key Features
