

## Product overview

The Zeta is a stylish under cabinet light, which offers a superb light output.

Zeta is a sleek, functional fitting available in natural white (4000K) making it suitable for any type of kitchen design, whether traditional or contemporary.

The fitting is easy to install with a quick release connector and has a diffused cover to make sure there are no visible LED dots.

The Zeta offers dual fitting options – either surface mounted or recessed for a flush finish.

Zeta is also compatible with Sensio switches and dimmable receivers.

## Mechanical Specification

Product	Dimensions (mm)	Weight (grams)	IP Rating
SE11190N0	Ø65 x 11 (D)	74	IP20

## Benefits
